

Golfing at Trump National

Where an Unforgettable Event is Inevitable

Situated on over 500 acres of historic Somerset County farmland and just forty-five minutes west of Manhattan, Trump National is the perfect setting for your foursome.

Your day will start with a Brunch Buffet in the beautiful Hunt Room with sweeping views over the course. You can use the unparalleled practice facilities before you join your caddie and foursome for a round of golf on a course rated among the Top 100 Golf Courses in the world.

During your round, you will enjoy a made-to-order lunch on the course and you will be able to enter contests and games throughout the day.

To complete the experience, a cocktail reception and silent auction, followed by dinner in the elegant ballroom will be offered.

You will never forget Playing a Round for Wildlife on the Old Course at Trump National Bedminster. We look forward to welcoming you.
